

Carpet Stain Buster

Item #: 403423

PROBLEM : Between the kids spilling their sodas and the dog having an accident, your carpet needs some attention. You don't need to clean the entire carpet, but the stains definitely need some work. And you certainly don't want to use chemicals!

SOLUTION : Eliminate the stains and odors instantly with the natural enzyme action of Carpet Stain Buster.

Description:

Enzymes and microbes help to eliminate protein-based stains from carpets, rugs and upholstery. The rich foam quickly lifts, dissolves and removes stains with less scrubbing and without leaving a residue. Plus, microbes and enzymes continue to work, lifting stains hours after other products stop working. Great for spot-cleaning as well!

Size: 350 ml / 11.8 fl. oz.

Key Features:

- Formulated with Orange Extract for deep cleaning action and a natural citrus scent
- Natural enzymes break down dirt, grease and odors.
- Phyto-technology uses bioflavonoids and plant extracts to create a synergistic reaction for extremely powerful cleaning results.

- *Yucca Schidigera*, a natural detergent and foaming agent, cleans without surfactants.
- Contains friendly microbes that work to remove stains and odors
- Leaves no residue in carpet
- Neutral pH is safe for use on most carpets, including nylon, polyester, polypropylene, wool and Triexta.
- No color brighteners or bleach
- Biodegradable and non-toxic
- Container is recyclable, HDPE #2.

Key Benefits:

- Simply and effectively eliminates a variety of protein-based and organic stains and odors
- Rich foam quickly lifts stains without scrubbing.
- Rapidly penetrates to dissolve and remove all types of stains
- Keeps working hours after cleaning so as not to attract new contaminants
- Use for spot cleaning, shampooing, deodorizing and neutralizing stains on carpets, rugs and upholstery

How to Use:

- Test a small, hidden area for colorfastness.
- Blot any wet soils with a dry EnviroCloth™ before applying product. Generously apply directly to stained area from a distance of 4 – 6 inches. Allow foam to absorb into stain for 3 minutes. Gently blot with a clean, damp cloth, rinsing frequently. Rub gently if needed. Allow carpet to dry thoroughly.

- For spot removal, mix a ¼ cup (60 ml) of product with four cups (1 liter) of water in a spray bottle.
- For shampooing, combine 10 oz. (320 ml) with one gallon (4 liters) of water.
- Do not use on carpets or other materials treated with Scotchguard.™
- Not for use on Teflon-coated carpets, silk, leather or mohair.

Demo Tips:

- Obtain a scrap of light-colored carpet from your local home improvement store.
- Stain the carpet scrap with ground-in dirt, wine or colorful fruit juice.
- At parties, demonstrate how effective Stain Buster is on the tough stains.

Did You Know?

- Typical carpet spot removers contain large amounts of surfactants and sometimes solvents. The Carpet Stain Buster uses microbes, enzymes and Orange Extract as soil removers and *Yucca Schidegra* as a natural foaming agent, which prevent stains from re-depositing on cleaned surfaces. Conventional carpet spot removers leave a soap residue, which attracts additional soil and stains that can re-appear.
