

Cleaning Paste

Item #: 403500

PROBLEM : Your home is your sanctuary, but let's face it: with the kids, the pets and everything else, it can get downright dirty sometimes. You need a cleanser that's strong enough to tackle every one of your tough cleaning jobs, but something that's also easy to use as well as easy on the environment.

SOLUTION : Our Cleaning Paste is "elbow grease in a jar"! Use it for a variety of stubborn cleaning jobs around the home. Just a few dabs on an EnviroCloth or SpiriSponge can tackle even the most challenging tasks. No wonder it's one of Norwex's top sellers!

TOP SELLER

Description:

Cleaning Paste is an environmentally friendly paste that works with a damp EnviroCloth™ to clean, polish and protect chrome, stainless steel*, porcelain and similar surfaces in one application. Safe for use on coffee pots, glasses and most food-ware products. Works great on bathroom tubs and tile, too! Phosphate-free. Comes as a solid.

200 ml / 6.76 oz.

Key Features:

- Simple and easy to use
- Contains the active ingredients Marble Flour, Natural Soap and traces of Coconut Oil
- Removes rust stains, hard water stains, scuff marks, permanent marker, dirt, grime, soap scum and more
- Cleans, protects and polishes in one application
- Cleans a variety of materials, including chrome, stainless steel*, sealed ceramics and more
- Poison- and phosphate-free
- Comes as a solid, which means less packaging
- Packaging is recyclable.

**Not for use on brushed stainless steel.*

Key Benefits:

- Easily and quickly removes soap scum and caked-on dirt and grime to get surfaces clean and sparkling, with minimal effort
- Quickly brings stainless steel sinks and faucets to a high shine
- Erases scuff marks and permanent marker from ceramic tile, laminate, linoleum and walls
- Great for car tire white walls, sink basins, tubs, shower floors, countertops and stoves
- Works to remove burn marks from pots, pans and appliances
- Brings chrome to a sparkling shine
- Works throughout the house as well as outdoors, including lawn furniture, campers and boats
- Long-lasting

How to Use:

- Dab a damp Norwex Microfiber cloth or SpiriSponge two or three times in the paste.
- Rub it onto the surface to be cleaned.
- Rinse with water and dry with an EnviroCloth. Finish shiny surfaces with a dry Window Cloth or EnviroTowel.
- For tougher jobs, use with SpiriSponge or Spirinett for an extra boost of cleaning power.
- Test on an inconspicuous spot before using.
- Not for use on brushed stainless steel, nickel, pewter, aluminum or wood.

Demo Tips:

- Use Cleaning Paste and a damp EnviroCloth to remove permanent marker from a small white board.
- If your Host has children, ask if you can clean a pair of their outdoor shoes. Use a bit of Cleaning Paste and a damp EnviroCloth to restore white rubber toppers and/or soles to like-new status.

Did You Know?

- Norwex Cleaning Paste is one of the most versatile products we offer. It can literally be used in every room of the house, including the garage!
- The little tub goes a long way, typically lasting for up to a year or longer.

60-day warranty
