

Leather Shine

Item #: 403510

PROBLEM : Some of your leather goods have lost their luster and are beginning to show their wear. They may be cracking, fading or just aren't as supple as when you bought them. Buying all new ones sounds drastic, not to mention expensive.

SOLUTION : Save your money! All you need is Leather Shine to have your leather goods looking like new again.

Description:

Made with pure Bee and Carnauba Wax, Leather Shine naturally cleans, restores and beautifies leather without man-made waxes or harmful chemicals. It replaces the natural oils in dry leather as it waterproofs, moisturizes and protects.

Size: 150 ml / 5 oz.

Key Features:

- Formulated with pure Bee and Carnauba waxes
- Geranium and Celery Seed Oils moisturize as they impart a subtle natural scent.
- No manmade waxes or harmful chemicals, alcohol or lye
- Includes a sponge applicator

Key Benefits:

- Penetrates to naturally clean, restore and beautify leather
- Stops cracking and fading
- Restores original suppleness and protects against moisture
- Works on shoes, boots, purses, gloves, baseball mitts, belts, luggage, furniture, clothes, saddles—anything made of leather
- Can also be used on rubber and hard plastic to restore luster

How to Use:

- Rub the black side of the sponge applicator across the surface of the balm.
- Apply to the leather surface sparingly using the black pad.
- Polish with the white pad until glossy.
- Not for use on suede.

Demo Tips:

- Take a well-worn pair of shoes, gloves or a belt to your party to demonstrate Leather Shine for your guests.
- Let them use it on your leather good to experience it for themselves.

Did You Know?

- The natural fibers in leather break down over time. It's important to preserve and protect leather goods with a good conditioning product such as Leather Shine.
