

# Natural Deodorant Stick

Item #: 403602

**PROBLEM :** You need a long-lasting deodorant that will keep fighting odors all day, but you don't want to resort to using messy, toxic chemical-laden deodorants that can clog pores and irritate skin.

**SOLUTION :** Try the Natural Deodorant Stick to help naturally eliminate underarm odor and achieve the long-lasting freshness you need to feel confident all day! Hydrates and keeps skin soft and smooth with its special formula, unlike deodorants made with potentially harmful ingredients.

## Description:

Natural Deodorant Stick uses a blend of essential oils and natural sweat-controlling ingredients to help safely and effectively combat odor-causing bacteria. Formulated with Aloe Vera, Tea Tree and Sage, it helps soothe skin and keeps you feeling fresh and clean throughout the day. This deodorant is specially formulated to provide a cleaner, more even spread on underarm skin, and it's strong enough to stand up to even the most active lifestyles, making it a powerful alternative to traditional antiperspirants that may contain triclosan, fragrances or other harmful chemicals.

Size: 50 ml / 1.7 oz.
