

Wrinkle Release Spray

Item #: 403467

PROBLEM : You need to remove the wrinkles from your clothing, but waiting for a clunky iron to heat up and setting up a flimsy ironing board can be so time-consuming. Not only that, but some name-brand wrinkle release sprays contain chemicals that can be harmful to your health.

SOLUTION : Norwex Wrinkle Release Spray helps you easily, naturally and quickly remove unsightly creases and wrinkles from your clothing, without the harsh chemicals commonly found in similar products.

Description:

Our new Wrinkle Release Spray is specially formulated to remove unsightly wrinkles in no time. Simply spray, then gently tug and smooth the wrinkles away! The light, airy spray contains natural ingredients, is biodegradable and is free from potentially harmful chemicals found in similar products. Leaves your clothes smooth and fresh with just a spritz. Keep one at home or take one with you to quickly get rid of creases and wrinkles wherever you go!

Size: 355 ml / 12 oz.

Free From:

- Artificial dyes
- Formaldehyde
- Phosphates
- SLS/SLES
- Petrochemicals
- Animal-derived products
- Phthalates
- Sulfates
- Bleach

Features and Benefits Your Customers Will Love:

- Contains natural ingredients
- No need to wait for an iron to heat up, so it saves you time
- Gentle formula
- Rinses clean and does not leave any residue
- Dries quickly
- Safe for most fabrics (always test on inconspicuous place first)
- Made with a biodegradable formula
- Free of artificial fragrances
- Non-toxic

Suggested Use:

- Lightly spray fabric (do not saturate)
- Gently tug fabric to smooth wrinkles
- Let dry

Demo Tips:

- Show your guests how simple it is to quickly remove wrinkles by spraying the Wrinkle Release Spray onto a wrinkled garment, gently tugging and smoothing the fabric, and then letting it dry.

Did You Know?

- Heat and water cause wrinkles. Heat breaks the bonds holding polymers in place within the fibers of a fabric. When the bonds are broken, the fibers are less rigid, and as the fabric cools, the fibers lock into a new (wrinkled) shape.

COMPLEMENTARY PRODUCTS
