

Pet Towel

Item #: Graphite-309301

PROBLEM : After bathing your pet, drying them off can be a challenge as they squirm and try to shake off excess water. Standard bath towels get soaked easily, making the process of drying your pets messy and difficult.

SOLUTION : The super-absorbent Pet Towel makes bath time a breeze for your furry friends. Plush, lightweight microfiber dries and warms your pet quickly to help prevent water from getting everywhere, while keeping them nice and cozy.

Description:

Our new, ultra-absorbent Pet Towel makes bath time a breeze! Simply slip your hands into the Towel's convenient built-in hand pockets to gently yet securely hold and dry your pets quickly after washing them. Hangs to dry fast so it's ready for repeat use, and contains our self-purifying BacLock® agent.

Size: 60 x 100 cm / 23.6" x 39.4"

Features and Benefits Your Customers Will Love:

- BacLock® antibacterial agent in the cloth allows it to self-purify within 24 hours, so it can be used frequently between washes.
- Built-in hand pockets help to keep your pet close to you as you dry them off after bath time.
- Ultra-absorbent microfiber is perfect for keeping pets dry and warm after washing them.
- Allows you to gently lift loose pet hair before it ends up on your furniture and around your home.

Caring for Microfiber:

- Slightly dirty microfiber can be washed with Norwex Dishwashing Liquid under warm running water and used again before laundering.
- Cloths that have been used heavily should be laundered using Norwex Ultra Power Plus™, which contains no fillers.
- Do not use bleach, fabric softeners or dryer sheets.
- Rinse thoroughly after washing and air or machine dry.

Demo Tips:

- Invite guests to try out the towel's built-in pockets to show them how easy it is to use.

Did You Know?

- Regular brushing and grooming is healthy for pets, especially dogs! It can help your dog shed loose hair, which is important during warmer weather. It can also help prevent matting, which may trap moisture and bacteria in your dog's skin, resulting in discomfort and irritation.

All Norwex Microfiber products carry a two-year warranty. Please visit www.norwex.com for complete details.

*Contains BacLock, an antibacterial agent for self-cleansing purposes only. The agent is solely designed to inhibit bacterial odor, mold and/or mildew growth within the product.
