

Norwex Toothpaste

Item #'s: 403185 – Cooling Mint, 403186 – Kids Strawberry

PROBLEM : You need a toothpaste that will keep your teeth feeling naturally clean and leave your mouth feeling fresh, but so many name-brand toothpastes are loaded with potentially toxic ingredients that can affect your health and the health of your family, especially with regular use.

SOLUTION : Try Norwex Toothpaste for a safe and effective alternative that will help keep teeth naturally clean, bright and white, without the risk of ingesting harmful chemicals.

Description:

Norwex Toothpaste is perfect for the whole family! Free of common name-brand toothpaste ingredients which have been linked to health issues, Norwex Toothpaste will keep your teeth feeling clean and fresh, while fighting plaque and tartar buildup. Comes in two great flavors, including refreshing mint and a delicious strawberry flavor that kids of all ages will enjoy!

Size: 75 ml / 2.5 fl. oz.

Free From:

- Fluoride
- Sulfates
- Harsh abrasives
- Artificial flavors or dyes
- Animal-derived products
- Parabens
- Phosphates
- Gluten

Features and Benefits Your Customers Will Love:

- Safe, chemical-free formula helps to promote good oral health.
- Helps whiten teeth.
- Helps freshen breath.
- Available in two great flavors– Cooling Mint and Kids Strawberry.
- Specially formulated to foam less than conventional toothpaste, so there's less mess around the sink.
- Helps fight cavities.
- Vegan-friendly.
- Made with natural ingredients.
- Non-toxic if swallowed.

Suggested Use:

- Brush thoroughly at least twice a day. Best after meals or as directed by a dentist or physician.

Demo Tips:

- Pair with a Norwex Silver Care Toothbrush to show guests how they combine for the perfect teeth cleansing experience.
- Ask the Host for some spoons, and allow guests to sample a taste.
- Mention the natural color of the toothpaste and compare to the ultra-bright white color of many name-brand toothpastes created by chemical additives, such as titanium dioxide.

Did You Know?

- The world's oldest-known formula for toothpaste was created by Egyptians. They crushed rock salt, mint, dried iris flowers and pepper and mixed them together to create a cleaning powder.

COMPLEMENTARY PRODUCTS

- Adult Silver Care Toothbrush and Refills
- Makeup Removal Cloths
- Timeless Lip Balm
