

3-in-1 Car Mitt

Item #: Graphite-308034

PROBLEM : If you spend a lot of time in your vehicle, it may be a struggle to keep your car interior clean. Daily driving can quickly lead to dusty consoles, dashboards and mirrors—not to mention the other unsightly messes that can build up when eating or drinking on the go.

SOLUTION : Try the powerful 3-in-1 Car Mitt to gently yet effectively remove dust, dirt, grime and other messes in your car without scratching delicate surfaces.

Norwex Microfiber has the ability to remove up to 99% of bacteria from a surface when following the proper care and use instructions.

Description:

It's like a Window Cloth in a 3-layered mitt! Quickly and gently whisk away dust and dirt from car windows, mirrors, consoles and more without scratching your car's surfaces. Flip the mitt's cleverly designed outer and middle layers to reveal fresh microfiber, allowing you to multiply your cleaning power, give surfaces a streak-free shine and finish big jobs faster! The mitt's tight weave makes getting into small areas, nooks and crannies easy. You'll want one for your home as well as your car!

Size: 18 x 26 cm / 7.1" x 10.23"

Features and Benefits Your Customers Will Love:

- Extra layers provide fresh microfiber surfaces for extra cleaning power.
- Polishes to a bright shine.

- Can be used wet or dry to gently yet effectively clean tiny corners and crevices in your car or around your home.
- No need to use harsh chemical cleaners.
- Eliminates chemical residues left behind by typical car cleaning products.
- Traps dirt and grime in the mitt, leaving your car's interior spotless without damaging surfaces.
- The BacLock** antibacterial agent in the mitt works to self-purify and inhibit odors from bacteria, mold and mildew growth within 24 hours, so that it is ready to use again.
- Unique mitt design comfortably fits either hand.

Caring for Microfiber:

- Slightly dirty microfiber can be washed with Norwex Dishwashing Liquid under warm running water and used again before laundering.
- Rinse thoroughly after washing and air- or machine-dry.

Demo Tips:

- Point out that the 3-in-1 Car Mitt works especially well for areas like rearview mirrors, windshield interiors, cup holders and vents where dirt and residue can collect.
- Slip on the mitt to show how easy it is to use and demo on a dusty mirror or window, bringing the glass to a high shine.

Did You Know?

- A study conducted by researchers at Queen Mary University of London showed that, on average, 700 different kinds of bacteria can be found inside cars. Only 60 types are found in the average public toilet.

All Norwex Microfiber products carry a two-year warranty. Please visit www.norwex.com for complete details.

*Contains BacLock, an antibacterial agent for self-cleansing purposes only. The agent is solely designed to inhibit bacterial odor, mold and/or mildew growth within the product.
