

## Mop System **TOP SELLER**

Item #'s: Dry Superior Mop Pad: small-352010, large-352011; Wet Mop Pad: small-350000, large-350001; Tile Mop Pad: small-350105, large-350106; Telescopic Mop Handle-356001; Mop Base: small-355100, large-355101; Mop Conversion Kit-356400

**PROBLEM** : You strive to make your home a safe haven for your family and try to avoid tracking in pollution, pesticides, dirt and debris from outside. But even under the best circumstances, the floors of your home can harbor pollutants, chemicals, dust and bacteria.

**SOLUTION** : Rather than coat your floors with even more chemicals, harness the power of static electricity and water to get them completely clean and chemical-free—and keep them cleaner, longer!

**Norwex Microfiber has the ability to remove up to 99% of bacteria from a surface when following the proper care and use instructions.**

### Description:

Our Mop Pads pick up even the tiniest particles and attract dust like a magnet. They are excellent for cleaning linoleum, vinyl, laminate, wood, marble and tile flooring; ceilings; walls and even high windows, all without chemicals.

52 cm x 14 cm / 20.47" x 5.51"

#### Tile Mop Pad small:

32 cm x 14 cm / 12.6" x 5.51"

#### Tile Mop Pad large:

52 cm x 14 cm / 20.47" x 5.51"

### Features and Benefits Your Customers Will Love:

- Norwex Floor Systems clean floors using microfiber or polyester Mop Pads and water only.
- Perfect for a variety of floor surfaces as well as windows, walls and ceilings
- Superior Dry Mop Pads are constructed of Norwex Microfiber and use static electricity to draw and lift even the tiniest particles up into the cloth.
- Open spaces in the fibers created by the splitting process enable the pads to lift away dust and dirt and absorb several times their own weight in water.
- Nylon and microfiber give the Tile Mop Pad extra scrubbing power.
- Norwex Microfiber in the Dry Superior and Wet Mop Pads has the ability to remove up to 99% of bacteria from a surface when following the proper care and use instructions.
- The Wet Mop Pad contains Norwex's exclusive BacLock®\* agent.
- Mop Pads can be easily switched to suit the purpose.
- Mop Base can be locked into position to easily clean windows and ceilings.
- Telescopic Mop Handle also fits our bendable microfiber EnviroWand™ to clean ceiling fans.

- Mop Pads wash clean in the laundry with Ultra Power Plus™.
- Floors are safer for children and pets—no harmful chemical residue remains.
- Mop Pads lift and trap even the tiniest particles of dirt and debris.
- One Mop Pad cleans the entire floor, saving time.
- No heavy pail to carry makes mopping easier.
- Floors dry quickly and stay cleaner longer with no chemical residue to attract and hold dirt and grime.
- Adjustable Telescopic Mop Handle easily reaches ceilings, walls and high windows as well as floors.

### Caring For Microfiber:

- Slightly dirty microfiber can be washed with Norwex Dishwashing Liquid under warm running water and used again before laundering.
- Towels that have been used heavily should be laundered using Norwex Ultra Power Plus™, which contains no fillers.
- Do not use bleach, fabric softeners or dryer sheets.
- Rinse thoroughly after washing and air or machine dry.

All Norwex Microfiber products carry a two-year warranty. Please visit [www.norwex.com](http://www.norwex.com) for complete details.

\*Contains BacLock, an antibacterial agent for self-cleansing purposes only. The agent is solely designed to inhibit bacterial odor, mold and/or mildew growth within the product.

MOP SYSTEM

## Demo Tips:

- Demo Dry Mop Pad on Host's floor, brushing clean with the Rubber Brush. Point out that debris won't easily shake out of the Mop Pad, due to the microfibers' tight hold on the particles.
- Show how easy it is to adjust the height of the Mop Handle.
- Point out that the Wet Mop Pad may drag a little the first time it's used because it is removing leftover residue from the floor.

## Did You Know?

- Clean wood or laminate floors with minimal moisture. Using too much water may cause the wood to swell and can result in streaks on flooring.
- Mop Pads can be rinsed in the sink, if necessary; however, you may be surprised to see that one Mop Pad can clean your entire floor.

## Systems for Every Size and Space :

### SMALL

### LARGE

## Mop Bases:

The durable Mop Base comes in small or large, easily snaps into the handle, and features an easy locking mechanism to hold the base firm for washing walls. Velcro® strips secure Mop Pads to the base, and rubber edging protects walls and furniture.

Small: 24 cm x 8 cm / 9.45" x 3.15"

Large: 40 cm x 8 cm / 15.75" x 3.15"

2-year warranty

## Telescopic Mop Handle:

Combine with our Mop Base and your choice of Norwex Mop Pads or our EnviroWand™ for the ultimate in chemical-free cleaning. Great for floors, walls, ceilings, ceiling fans and a multitude of other hard-to-reach cleaning jobs. Handle adjusts to fit your height so you can comfortably clean even the most out-of-the-way areas.

Adjustable: 98 cm – 160 cm / 38.58" – 62.99"

2-year warranty

## Ergo-Bend:

The flexible and convenient Ergo-Bend helps clean beneath your couch, bed and other large furniture, giving your home a deep, powerful clean without using any harmful chemicals. Simply attach to your Mop Base and Telescopic Mop Handle to conveniently clean hard-to-reach areas in your home with the greatest of ease.

22.86 cm / 9"

## Mop Conversion Kit:

Use these handy brackets to convert your Mop Base for cleaning windows or ceilings. Durable rubber grommets fasten the Window Cloth\*, EnviroTowel\* or Car Cloth\* in place for washing and polishing hard-to-reach areas. Snap brackets onto the top side of the base and press cloth firmly into the grommet slits.

8 cm x 5 cm / 3.15" x 1.97"

1-year warranty

\*Not for use on anti-glare surfaces.
