Features and Benefits Your Customers Will Love:

- Constructed of super-soft Norwex antibacterial Microfiber containing our exclusive BacLock® agent
- Plush, extra-high pile provides extra absorbency.
- Perfect for the tender skin of babies and children
- Quick drying, warm and cozy
- Sized perfectly for little bodies
- Bright colors kids of all ages will love
- Ultra-gentle microfiber is super soft on kids' sensitive skin.

Suggested Use:

- When using the Kids Towel to dry, a patting motion is recommended.

Caring for Microfiber

- Slightly dirty microfiber can be washed with Norwex Dishwashing Liquid under warm running water and used again before laundering. Rinse thoroughly after washing and air or machine dry.
- Towels that have been used heavily should be laundered using Norwex Ultra Power Plus™, which contains no fillers. Do not use bleach, fabric softeners or dryer sheets.

Demo Tips:

- Point out how the high, plush microfiber makes this our softest, most absorbent towel yet.

Did You Know?

- Children who stay active or play outside consistently should bathe daily; whereas children with dryer skin or those who stay inside more often can bathe every two days.

All Norwex Microfiber products carry a two-year warranty. Please visit www.norwex.com for complete details.

*Contains BacLock, an antibacterial agent for self-cleansing purposes only. The agent is solely designed to inhibit bacterial odor, mold and/or mildew growth within the product.
